We at the EOC are cheering our community right now. We learned that the Coastal Bend Community Foundation is receiving interest by businesses, people, corporations, and companies across the nation to assist us in our time of need. The Coastal Bend Community Foundation is a long standing trusted nonprofit partner with Nueces County.

Nueces County has supplies at this time, and is NOT asking for volunteers, equipment, or other supplies at this point. Those concerned however, may donate to the Coastal Bend Community Foundation and designate the

Coastal Bend Disaster Recovery Group at:

http://www.cbcfoundation.org/?page_id=5354

This will insure your money will be used for those in Nueces County and Port Aransas that really need it. This will help repair devastated lives.
