The 2023-2024 Texas 4-H Record Book Information has been posted at <https://texas4-h.tamu.edu/recordbooks/>

There were NO changes for the 2023-2024 year. We are in the process of conducting a Record Book User Survey and anticipate changes for 2024-2025 Texas 4-H year to be announced after a Committee Review and will be announced in the Spring.

- **Check Sheet** – Reminder, beginning in 2022-2023 this is now an OPTIONAL single page which can be placed loosely at the front of the Record Book. This can be used as a guide for families to verify that all information is included and complete at the various review levels. The check sheet will not be required for those record books advancing to State. State certification of complete review will be done through 4HOnline approvals.

- **Personal Information Page** – Reminder, as of 2022-2023 this page only requires the 4-H member and Parent Signatures which certifies that the information provided in this record book is an accurate reflection of the project work completed by the above named 4-H member. County Agents and District Approvals are received through 4HOnline registration when they approve the entry. This will help hopefully with those Districts and at the State level with virtual judging.

- **Categories** – Same as 2022-2023.

- **Clarification** – Senior 4-H members who win first place at the state level Texas 4-H Record Book Judging competition, MAY submit a Record Book in future years in the same category in which they earned first place. This has been the case for many years now, but I think gets confused to the Roundup rule that if you win 1st and then go on to Nationals you are not able to return to Roundup in the same contest. A 4-H member may win State in Record Book multiple years and if they chose, attend the Texas 4-H Leadership Conference multiple years.

ZSuites – Online Record Book system – We will be evaluating the use and determine if we will extend the contract beyond 2023-2024 based on the recommended changes from the Review Committee.
