Welcome!

We are glad that you have chosen to be part of the largest non-formal youth education organization in the United States! Nearly six million youth participate in 4-H each year to become self-motivated, productive, and contributing citizens.

4-H is designed to be a family affair so 4-H parents are encouraged to get involved in the 4-H experience. Ways that 4-H parents can contribute range from serving as a project leader, to providing transportation to activities, or even supplying refreshments for meetings or special events. 4-H parents are also needed to supervise 4-H activities. Nueces County has an outstanding group of dedicated adult volunteer leaders, as well as a superb group of motivated 4-H members. We welcome your family into our Nueces County 4-H family!

Please feel free to contact the Nueces County 4-H Office at 361.767.5220 or visit our website at <https://nueces.agrilife.org> for more information about the county 4-H Program.

Best wishes for a fulfilling year in 4-H!

Sincerely,

Norma Muñoz
